#### TASTING NOTES:

Made from 100% Mourvedre grapes grown on the Head and Graff Vineyards on the Chalone bench in Monterey County. This grape, rare in California, comes from the warmer regions of the south of France and is the primary grape in the wonderful wines of the Bandol region of Provence. Aged 18 months in French and American oak barrels, the wine is soft with bright fruit character. This is a wine that is easy to like and goes well with lamb, pizza and most cheeses.
