Rosella's Vineyard—Santa Lucia Highlands

Rosella's Vineyard is located in the Santa Lucia Highlands just a few miles down the road from Garys' Vineyard and is named after Gary Franscioni's wife. Both Garys' and Rosella's are farmed by the same vineyard crews which are among the most meticulous we've seen and their results are amazing! Rosella's is differentiated by its soils, micro-climate and by the variety of clones planted. The fruit sourced from this prized vineyard consists of 777 and Pisoni clones.
