

JELLY JAR

2006 Old Vine Zinfandel
Nova Vineyard, Lake County

Vineyard

100% Zinfandel, Nova Vineyard

The organically farmed Nova Vineyard is located on a gradual slope of benchland in the Kelseyville area of Lake County. These head-trained, dry-farmed 40-year-old Zinfandel vines have taken deep root in the site's volcanic soils giving us the opportunity to produce a Zinfandel with rich characteristics and aromas.

Vintage

The 2006 growing season in Lake County turned out an excellent vintage. A rainy spring delayed bud-break but the early warming of the season soon thereafter brought the vintage up to speed delivering the harvest right on time.

Winemaking

The berries were picked at optimum intensity, very ripe but not overripe with dehydration. They were hand-sorted and de-stemmed, not crushed, followed by a cold soak for five days prior to fermentation. The wine was aged for 10 months in predominately French oak.
